AGAPE CHURCH & FAITH FOUNDATION

FROM LOSS TO LEGACY: HOW FAITH WAS BORN—AND WHY THE MISSION MUST CONTINUE

Dear Agape Church Family & FAITH Partners,

There are moments when God allows something to end—not because the vision is over, but because it is about to multiply.

In 2025, after years of prayer, perseverance, and faith-filled waiting, the Thai government officially approved the registration of the First Agape Institute of Thinking Higher Foundation (FAITH).

Months later, our beloved co-founder, mentor, and visionary, Dr. George Lloyd Guthridge, went home to be with the Lord.

What God approved before his passing became the legacy entrusted to us after.

“Unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain.” — John 12:24

FROM GRIEF TO GOD’S CALLING

Dr. Guthridge’s passing left a deep ache in our hearts—but it did not silence the vision God planted through his life.

FAITH stands today because obedience came before comfort, and faith came before provision. This foundation was not built on abundance—but on faithfulness.

— Proverbs 22:6

THE HIDDEN COST OF OBEDIENCE

Behind every faith-based organization is a story rarely told. Moving FAITH forward has required personal sacrifice—financially, emotionally, and spiritually. There were moments when resources were stretched thin and the weight felt heavy. Yet one truth remains unshaken: If God births the vision, He will also sustain it—often through His people.
